

Léo Frati

Product Designer in Bordeaux

About

Hello 🙋, I'm a French 🇫🇷 designer specializing in Product, UX & UI Design, based in Bordeaux.

I am currently looking for a permanent contract as soon as possible. I'm motivated and enthusiastic about putting my skills to good use.

Experience

Product Designer • Newgo (sandwich courses - 3 ans)

At Newgo, I'm in charge of all the application design, UX & UI. I'm also a developer for both the website and the application. User testing, accessibility, etc. are all part of my job. [Study Case here](#)

Web Developer • 0+ Urbanistes (stage - 2 mois)

In an urban planning office, for which I was able to create various websites for clients such as Domofrance.

Product Designer / Web Dev • Freelance

Creation of various websites, usually using Wordpress, Framer or Webflow to make updating easier for the customer
